Experience

Full - Stack Web Developer

Dec 2024 – Jul 2025

Driftpoint Technologies

- Developed responsive web applications using **React.js** and **Next.js** for frontend, delivering modern user interfaces with optimized performance.
- Built robust backend APIs and services using **Node.js/Express** and **PHP Laravel**, implementing RESTful architecture and database integration with **MongoDB** and **MySQL**, along with **WordPress** development.
- Collaborated with cross-functional teams to deliver end-to-end web solutions, from initial requirements gathering to production deployment.

Data Science Intern

May 2023 – Jul 2023

Celebal Technologies

- Assisted in data preprocessing, cleaning, and exploratory data analysis on large datasets to support machine learning model development.
- Worked with Python libraries such as **Pandas**, **NumPy**, and **Matplotlib** for data manipulation and visualization.
- Implemented and evaluated machine learning algorithms, improving model accuracy and performance.

Projects

Full - Stack Social Media Platform

- Developed a comprehensive social media web application with complete user authentication, post management, and real-time messaging features.
- Frontend: Built responsive UI using React, Redux for state management, TailwindCSS for styling, and Socket.IO client for real-time communication.
- Backend: Implemented RESTful APIs using Node.js and Express.js, integrated Cloudinary and Multer for image upload functionality, and MongoDB for data persistence.

WordPress Plugin for Social Login and Payments

- Built a customizable WordPress plugin supporting user authentication via OTP, Google, Facebook, and LinkedIn logins.
- Integrated **Stripe** and other popular payment gateways for seamless transaction handling.
- Focused on plugin extensibility, clean UI integration, and security best practices.

Technical Skills

Frontend Technologies: HTML, CSS, JavaScript, ReactJS, Next.js, TailwindCSS.

Backend Technologies: Node.js, Express.js, MongoDB, PHP, Laravel, MySQL.

CMS & Plugins: WordPress, Custom Plugin Development.

Tools & Platforms: Git, GitHub, Postman.

Education

Bachelor of Technology (B.Tech)

2020 – 2024

Poornima Institute of Engineering and Technology

12th Standard

2018 – 2020

Aadarsh Indian Public Sr. Sec. School

10th Standard

2016 – 2018

Emmanuel Mission Sr. Sec. School
